Built via the indirect method: Net Income from v_IncomeStatementLines plus non-cash addbacks and changes in non-cash BS items. BS deltas computed as 2025-12-31 minus 2024-12-31 snapshots from dbo.GLCAL. Cash defined as bank checking accounts + petty cash + PayPal + undeposited funds. Intercompany transfer accounts (10180/10182) are treated as financing.
